Mayor

June 24, 1983

On Monday, June 13, the Board of Aldermen passed a resolution proclaiming June 25, 1983 as Lesbian and Gay Pride Day in Burlington.

In our democratic society, it is the responsibility of government to safeguard civil liberties and civil rights - especially the freedom of speech and expression. In a free society we must all be committed to the mutual respect of each others lifestyles.

Sincerely,

Bernard Sanders
Mayor
